

Aviation City Safety Day

LOC involves the unintended departure of an aircraft from control flight, and it can occur in any phase of flight. A brief review of accident data for the past 5 years shows the leading cause of accident being LOC.

Directions: For driving directions refer to your preferred web-base map application. For information about Arcadia Municipal Airport X06 (Aviation City) visit the Friends of Arcadia Airport website page at <http://foaa.us/>. Aviation City is a Fly-In/Camp-Out Center at X06.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
